MEMORANDUM FOR: **Mr. Montrell E. Mills**
SUBJECT : Expression of Appreciation

1. In a memorandum to me through the Executive Director-Comptroller and the Deputy Director for Support, the Special Assistant [redacted] expressed his appreciation for the outstanding support rendered by you in a personal situation involving his son. He was impressed by the "warm, humane, and awesomely efficient response" to his request for help and by the professional efficiency of those who participated in averting what may have been a heartache or possibly a real tragedy.

2. Along with the Deputy Director for Support, I wish to add my appreciation for your exceptionally fine assistance in a personal situation involving compassionate understanding and discretion.

3. A copy of this memorandum is being placed in both your Administrative and official Personnel Files.
